WHERE DOES YOUR CHRISTMAS OFFERING GO?

A Word from Kennedy

Each year, we ask you to give to our Christmas offering to help us share the light of God's love with a world in need. This year, your gift will go to three places.

First, **one third** will go to a new series of family events that we have developed to bless our community. These events have included a Family Art Night, a Dads and Kids picnic, a summer family picnic, a family event at 3 Sons Brewing, and our Pajama Movie Nights, including our recent amazing Polar Express event. At these events, we provide incredible food from Doris' Italian Market, along with all sorts of beverages including fine wine and beers and do this at minimal or no cost to families. In a time where budgets are stretched, we want to provide events for families to build relationships with each other through an inviting, welcoming and loving experience from us. The response has been amazing. Each event has filled to capacity with families, with about 80% not yet regularly connected to our church. For this Christmas **one third** of your Christmas gift will help us to continue to do these events to invite, welcome and love our community. But the impact doesn't stop there!

Another **one third** will go to support our partnership with 24 other churches in Broward County to make positive changes in our county's life through the organization Bold Justice. Because of that work, we have pushed our leaders to protect our seniors in nursing homes by instituting spot inspections. We have moved our law enforcement agencies to massively expand the use of diversion programs for youth that keep them out of trouble. And now we are working with county leaders to provide more supportive housing for the mentally ill so that they don't end up in jails or hospitals or sleeping in our parks and back alleys. A **third** of your offering will go to support that crucial work.

And the final **third** will go to simply support the daily needs of this church so these two powerful ministries can happen. Our goal this year is **\$4500.00 with a challenge goal of \$6,000.00**. With \$4500.00 we can underwrite close to another year of outreaches such as Polar Express, fund our minimum commitment to Bold Justice, and provide crucial financial support to sustaining this church's overall work. **And with \$6,000.00**, we could underwrite a whole year of outreaches, match our commitment to Bold Justice from last year, and provide even more crucial support to our church's basic financial needs. Please give generously in this year's Christmas giving campaign.
